### PEY Co-op Agreement

I agree to abide by the following program policies and procedures during my co-op work term:

1. I will provide the Engineering Career Centre (ECC) with a signed copy of my Offer Letter/Contract on the ECC Portal.
2. I agree to pay the PEY Co-op work term fee of \$975.00 and the part-time incidental fees that will be posted on ACORN, in accordance with the payment instructions and deadlines provided by the Student Accounts Office. Failure to pay these fees will result in the termination of the PEY Co-op work term.
3. I understand that the PEY Co-op work term fees are non-refundable.
4. I agree to commit to a 12-16 month continuous work term in the same organization. I will not withdraw my acceptance or resign pre-maturely without prior discussion with both the Executive Director of the ECC (or designate) and the Employer representative. I understand that if I do resign without said prior discussion:
  - the status of my PEY Co-op work term and non-academic credit will be revoked.
  - I will be expected to pay the PEY Co-op work term fee and part-time incidental fees regardless of the number of months that I have worked.
5. I understand that honouring this professional commitment and contractual agreement of my co-op work term is important. In this very competitive process, I successfully obtained and accepted this co-op opportunity that could have been offered to another student. As such, I will follow through on my commitment, recognizing that the employer has also made a commitment to provide this opportunity for the agreed 12-16 month duration.
6. I agree to attend the Transition to the Workplace session prior to the start of my work term.
7. International Students - I will upload a copy of my Co-op Work Permit on the ECC portal to confirm my eligibility to work with the Employer.
8. Students accepting a job outside of Canada - I agree to attend the Safety Abroad Workshop and complete all of their requirements- further details to follow.
9. I will adhere to the commitments required as a PEY Co-op student, including but not limited to, the submission of the evaluation forms and the PEY Co-op Final Report (further details will be communicated to all PEY Co-op students at the end of the winter term).
10. I understand that the PEY Co-op non-academic credit is contingent upon the completion of my contract and the submission of the evaluation forms and final report.
11. After completing my co-op work term, I agree to return to school in the Fall of 2022 to continue my studies as a full-time undergraduate student for the academic year (September 2022-April 2023). This is a government mandated requirement for co-op programs.
