

## PEY Co-op Program Withdrawal Form

In order to withdraw from the PEY Co-op program, you must first meet with an Engineering Career Centre (ECC) representative. Please email [sd.ecc@utoronto.ca](mailto:sd.ecc@utoronto.ca) to set up a meeting and attach the completed withdrawal form to that meeting request. This form must be submitted prior to July 1 in order to avoid the application of program fees for the following year.

### Student Information:

Full Name	
UofT Email Address	
Student Number	
Subject POST(s)	
Year of Study	

### Why do you wish to withdraw from PEY Co-op?

- I understand that by withdrawing from the PEY Co-op program, I will need to find another way to satisfy the 600 hrs of practical experience requirement for my Engineering degree.
- I understand that I will lose access to the PEY Co-op preparatory program content, and I should download any personal material from Quercus within two weeks of my official withdrawal\* from the program.
- I understand that by withdrawing from the PEY Co-op program, program fees will be pro-rated, so that I will only be responsible for fees on ACORN applied up to the date of the approval of this withdrawal from.
- I understand that I will not represent to a future employer that I am a PEY Co-op student.
